Our Company

Bow Wow Gifts, LLC was founded with a passion for creating gourmet dog biscuits and treats that contain high quality, all natural ingredients - made only in the United States. We create healthy yet delicious biscuits for all dogs and verify the sources of all ingredients used. We even verify the sources of our supplier's sources - back to the ingredient's origins. We believe that this is not only good for our pets; it's also good for our country and our economy.

Bow Wow Gifts offers a line of nutritious, all natural dog treats, grooming supplies and specialty pet soap, dog toys, collars, leads and decorative wall hooks for your dog supplies. Just like our ingredients, all dog products are made in the USA. While we design our collar and lead hook products, we work with a local manufacturer in Ohio, where we are based.

Bow Wow Gifts also makes custom baskets for dogs - the perfect gift for dog lovers, a friend who recently adopted a pup or for a special occasion. Gift baskets are customized orders that contain such items as gourmet dog biscuits, collars, leads, dog soaps and more.
